

HarrisX Post-Debate Poll

This survey was conducted online within the United States from June 28 - 30 among 1,500 registered voters by HarrisX. The sampling margin of error of this poll is plus or minus 2.5 percentage points. The results reflect a nationally representative sample of registered voters. Results were weighted for age, gender, region, race/ethnicity, income, area type, education, ideology, and party ID where necessary to align them with their actual proportions in the population.

DEB1: Did you watch or hear about the presidential debate between Joe Biden and Donald Trump this week on Thursday 27th June, or did you not have the chance to? Select the choice that applies the best.
